Agenda Item No-3

To report on updation/ modification / restructuring of syllabus for next academic session keeping in view of the policy for common syllabus for all the institutions of the IEM-UEM group.

AICTE model curriculum for UG courses of Engineering (effective from 2020-21) suggests the introduction of certain new subjects and modification in existing subjects to keep pace with

the change in technology and emphasis on detailed study of Robotics, Automation, Artificial Intelligence, Machine Learning, Advanced Manufacturing, Electrical Vehicles and more and more industrial case studies for students of Mechanical Engineering.

As there was no observation raised, it was confirmed.

Agenda Item No-4

To update on students enrolment in online courses in edX, Coursera, Udemy, Unacademy etc.

UEM Jaipur has emphasized on enrolment of all students in edX, Coursera, Udemy and Unacademy and through other platforms for at least one subject per semester.

Agenda Item No-5

Any other topic (Department Specific)-

As suggested by the external subject experts in BOS meeting few subjects are added in pool of Discipline Elective in 7th semester like Nanotechnology and Mechanical Vibrations. Renewable Energy Technology (MEG701) is the generic elective for students of Mechanical, Electrical and Civil Engineering. There was a small discussion over credits of Project and Grand Viva and as suggested by experts few classes should be incorporated in routine for discussion and preparation of Grand Viva for students of 8th semester.

The meeting ended with a vote of thanks to the Chair.
